CHARITABLE GIVING

February
2022

If you live in the Glossop area, you may have started to see our brand new charity boxes appearing on the high street. This is part of our efforts to improve upon our donations structure and to increase our visibility within our community. To see a list of the stores that have kindly donated their counter space for our boxes, please visit the Community Sponsors section of our website.

Additionally, we have implemented a text-to-donate service and QR code link to our PayPal Donate page in order to increase our contactless donation options.

The whole process has been incredibly positive in the level of support our community is willing to give to charitable causes and has also opened doors to further collaborations with local businesses. If you are interested in becoming a Community Sponsor, or would like more information about our donations process or other services, then please get in touch with the details overleaf.
