CAST-ON BLASTS OFF!

On February the 15th, 'Cast-On' Sewing and Knitting Group started at Hadfield Methodist Church. The group meets every Tuesday at 12:30PM and consists of both beginners and experienced knitters and crocheters. There was a need for groups that allowed people new to the hobby to learn and improve upon their skills and learn from more those with more experience.

For those who already know how to knit and crochet, the group offers a social setting in which to share their skills with others interested in the hobby.

There is only a £1 charge for refreshments, and new members are welcome to join anytime!

For more information on this group, or anything else, contact The Bureau with the details overleaf or email Sandy@the-bureau.org.uk

Meet the team...

Lauren Moore

Lauren started at The Bureau in January 2018, initially as the Car Scheme Coordinator, and as the organisation and my skills developed, I moved into a number of different roles before securing the Operations Manager position in July 2021. She has loved every minute of it!
