# NOT A LOAD OF RUBBISH!

## Reed in Partnership

This month, The Bureau worked with Reed in Partnership to give something back to the community. Reed came to us wanting to do something that would benefit the local area.

Helen, our Move More Lead, identified Gamesley Community Centre which was in urgent need of a garden clearance and the staff at Reed kindly offered to clear the area. The site will be used as a 'Peace Zone' for club members who are autistic, have ADHD, and will also support young people with sight loss.

Overall this has been a great success and shows how local organisations can work together to give back and improve the lives of people in the local community.

**If you or your business is interested in helping your community, please get in touch with the information overleaf**

COMMUNITY FUND

We need volunteers to support people on their shopping trips, accompanying clients to the shops and carrying their purchases for them.

We want to create a sense of capability and independence for those folks who have struggled during lockdown.

Volunteers can then come back and have a brew and a natter, play some games, and have fun!

If you're free on a Monday afternoon, get in touch!

## Trial Employment

### Helping people step back into work

The Bureau has started a scheme working with local employers to place clients in Trial Employment to help build their confidence and skills in the workplace. This benefits both employers and potential employees, and can even lead to a new hire.

The scheme is open to those working with our Pre-Work schemes such as Life Skills or BBO.

To take part in the scheme, either as an employer or client, please email Russell@the-bureau.org.uk or use the details below.

THE BUREAU Reception Volunteers Needed

Duties include:

- Answering the phone
- Passing on messages
- Taking car scheme request details
- Answering the door
- Giving our visitors, clients and volunteers a warm welcome!

Full training will be given. Volunteering looks great on your CV, and is a worthwhile pastime for anyone with time on their hands.
