TAKING OUT THE RUBBISH

Last Saturday, the Bureau continued its mission to make Glossop a clean and safe place. In the past, the town has struggled with littering. But, equipped with bin bags and litter pickers, our small team of volunteers made a huge and appreciated impact on easing the issue. Fuelled by the local company, Bakes and Butties, our team of volunteers had a hugely successful morning. Despite only spending an hour on their cleaning mission, volunteers collected over six bags of rubbish off the Glossop streets.

The team welcomes anyone who wants to get involved and make a difference in their local community. The volunteers meet every third Saturday of the month, at 10 am, outside the Bureau. All ages are welcome, and equipment is provided. It's a great way to make new friends and positively contribute to the environment.

If you would like to know more about this, please contact by calling 01457 865722 or email info@the-bureau.org.uk

Make A Difference

We need volunteers to support people on their shopping trips, accompanying clients to the shops and carrying their purchases for them.

We want to create a sense of capability and independence for those folks who have struggled during lockdown.

Volunteers can then come back and have a brew and a natter, play some games, and have fun!

If you're free on a Monday afternoon, get in touch!
